How to fill form [click here](#)

Step-6

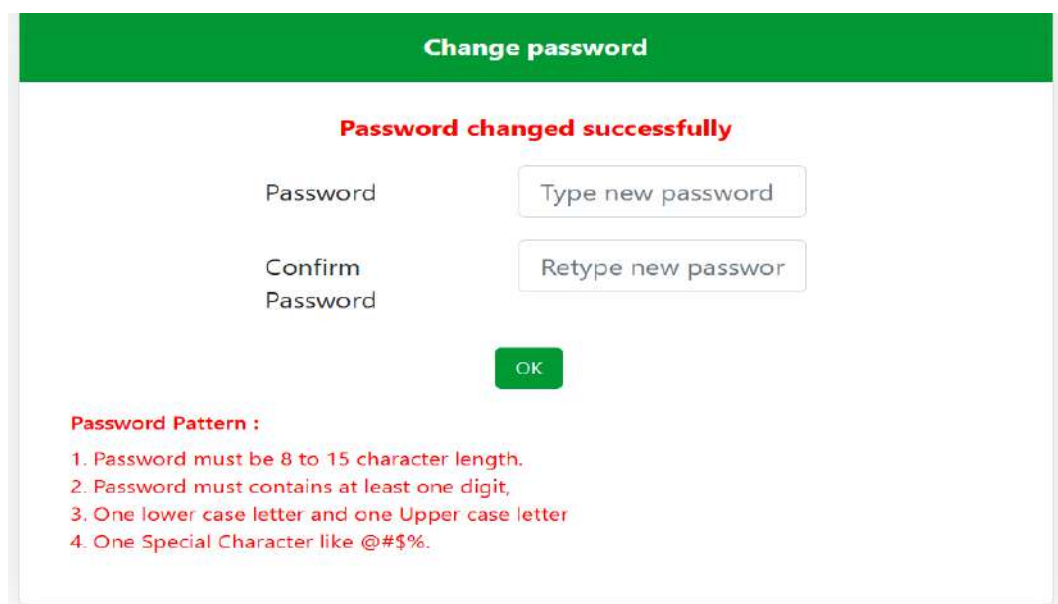

After logging in, the **Password Change** screen will appear. You will need to create a strong new password, re-enter it to confirm, and then click the **Submit** button to reset your password.

The screenshot shows a web interface with a green header bar. Below it is a white box titled "Change password". Inside this box, there are two input fields: "Password" with the placeholder text "Type new password" and "Confirm Password" with the placeholder text "Retype new password". Below these fields are two green buttons: "Submit" and "Cancel". At the bottom of the white box, there is a section titled "Password Pattern :" followed by four red bullet points: "1. Password must be 8 to 15 character length.", "2. Password must contains at least one digit,", "3. One lower case letter and one Upper case letter", and "4. One Special Character like @\$%".

Step-7

Your APPLICATION FORM profile password has been successfully changed. Please login again to complete your registration details.

The screenshot shows the same "Change password" form as in Step 6, but with a success message. The green header bar is still present. Below it, the white box has a red heading "Password changed successfully" at the top. The input fields for "Password" and "Confirm Password" are still there, but the "Submit" and "Cancel" buttons are replaced by a single green "OK" button. The "Password Pattern :" section with its four red bullet points remains at the bottom of the white box.
